96	Enterprises with foreign investment capital are responsible for carrying out investment procedures in accordance with the Law on Investment and relevant laws. The enterprise must properly comply with the provisions of law on land, construction, fire prevention and fighting, environmental protection, and other applicable legal provisions relating to the enterprise's operations and the business conditions applicable to conditional business lines. For investment and business activities arising after the time at which the foreign investor contributes capital or purchases shares or capital contributions, in cases where registration for the issuance of an Investment Registration Certificate is required under the Law on Investment, the economic organisation receiving the capital contribution or the purchase of shares or capital contributions from the foreign investor is responsible for contacting the investment registration authority to carry out the procedures in accordance with regulations. For business lines with CPC codes, the economic organisation with foreign investment capital shall carry out exactly the business lines recorded in the Notice on the satisfaction of conditions for capital contribution, purchase of shares or purchase of capital contributions, and within the scope of the activities of the CPC codes provided for in Vietnam's Schedule of Specific Commitments in Services upon accession to the WTO (together with the appendix Explanatory Notes on the services listed in the Central Product Classification of the United Nations). The performance of export, import, wholesale distribution and retail distribution of goods must strictly comply with the provisions of Article 7 of the Government's Decree No. 09/2018/ND-CP dated 15 January 2018 detailing the Commercial Law and the Law on Foreign Trade Management regarding goods trading activities and activities directly related to goods trading of foreign investors and economic organisations with foreign investment capital in Vietnam. For cases in which a Business Licence must be issued in order to carry out goods trading activities and activities directly related to goods trading as provided for in Clause 1, Article 5 of the Government's Decree No. 09/2018/ND-CP dated 15 January 2018 detailing the Commercial Law and the Law on Foreign Trade Management regarding goods trading activities and activities directly related to goods trading of foreign investors and economic organisations with foreign investment capital in Vietnam, the economic organisation with foreign investment capital is responsible for contacting the Department of Industry and Trade to carry out the procedures for the issuance of a Business Licence and a Licence to establish a retail outlet (if any) strictly in accordance with regulations before commencing business operations, except for the cases not requiring a Business Licence provided for in Article 6 and Article 50 of Decree No. 09/2018/ND-CP. An economic organisation with foreign investment capital may not carry out wholesale distribution or retail distribution of goods which are not permitted to be distributed by wholesale or retail under the law of Vietnam and/or the international treaties on investment to which the investor is subject. An economic organisation with foreign investment capital must comply with and satisfy the conditions provided for in the Commercial Law, the Government's Decree No. 09/2018/ND-CP dated 15 January 2018 detailing	Business line not yet matched with a code in the Vietnam Standard Industrial Classification System
----	--	--

No.	Business line	Code
	the Commercial Law and the Law on Foreign Trade Management regarding goods trading activities and activities directly related to goods trading of foreign investors and economic organisations with foreign investment capital in Vietnam, and other relevant legal documents. An economic organisation with foreign investment capital may not provide arbitration or conciliation services for commercial disputes between traders, legal services, tax services, audit and accounting services; may not provide consultancy services on short-term investment portfolio management; may not provide market research and public opinion polling services; operating in the field of advertising; may not provide consultancy services on employment, vocational training, policies relating to labour – employment relations, or lobbying activities. For construction and installation business lines with codes CPC 511, CPC 512, CPC 513, CPC 514, CPC 515, CPC 516, CPC 517, CPC 518: upon commencement of operations, the enterprise must satisfy the condition: The foreign enterprise must be a juridical person of a WTO Member./.
